Revision of Hood River County Home Rule Charter

Question 20 words which plainly phrases the chief purpose of the measure.

Shall the Electors of Hood River County adopt the revised Charter proposed by the Charter Review Committee?

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

This Measure proposes adoption of a revised Hood River County Home Rule Charter. The revision is recommended because the current Charter was last updated in 2008. Since then, certain state laws and the way the County is administered have changed.

The proposed revised Charter contains editorial changes to improve the document's organization and to conform its provisions to current County procedures. Such changes include: clarification of residency within the District a Commissioner will represent for a continuous period of 12 months immediately preceding election or appointment; nomination and election of elective county offices other than Sheriff so candidates receiving the majority of votes cast in a primary are elected and do not appear on the November ballot; eligibility requirements of the Justice Department to conform to state law; and revision of procedures for adopting ordinances.

The Charter may be amended by vote of the people. If approved the revised Charter would take effect on January 1, 2021.
