Hood River, OR 97031

Dear Commissioner Oates,

Thank you for the effort you, your hospitals, and your public health experts put into your plans for demonstrating your county's preparedness during the COVID-19 pandemic.

After careful review of your application, as well as a review of statewide data today with the Oregon Health Authority, I have made the decision to approve your county's application for entering Phase 2, effective Friday, June 19.

In addition, OHA will soon be issuing guidance requiring the wearing of face coverings for all individuals in indoor public settings in Hood River County. This is a mandate and will go into effect Wednesday, June 24.

Thank you for all of your hard work and vigilance on behalf of Oregonians.

Sincerely,

Governor Kate Brown
